Community Service Project: Chalk Drawings - Messages of Love for the Residents.

Dear Friends,

For many of us Fall marks the start of new beginnings and the “turning of a new leaf”. We welcome this season of change as we engage in new activities and recreate events for our seniors. We are excited for frosty mornings, cardigans, hot chocolate afternoons, Halloween and Thanksgiving celebrations.

We are so thankful for our wonderful families and because of their continued support The Senior Residence continues to be blessed. With pride and gratitude, I want to share the Testimonials to the right.

Sincerely,

Gina Principato

TESTIMONIALS

“The staff at St. Peter’s is phenomenal. Gina, Miguel, Maryann and Rich and all the others are the most devoted human beings! They are professional, kind, creative and fun. They are sincere and heartfelt in their mission to provide a safe, caring, engaging and loving place to live. Our brother Kevin refers the staff and fellow residents as his “St. Peters family” and that is most accurate. The families of the residents feel welcome and appreciated. We have been blessed.” - **Christine**

“Our brother Kevin has had the privilege of living at the Residence for several years. The staff treats their residents like family. As problems and challenges come and go, the wonderful people at St Peter’s are there with him all the way every day. Our brother is living his best life possible at St Peter’s. Very grateful.” - **The Lyons Family**

“Our mom is a resident of St. Peters Senior Residence, in fact this November will be her 5th year. Mom refers to this as *her home*. We do so as well because the staff is like family. (all of them). They are caring and are always looking out for the residents’ best interest.. They have activities that mom is interested in like chair aerobics (she always tells us about how much she enjoys it). The facility is very clean and neat. We appreciate all they do throughout the year, especially through the challenging past year and half. They were beyond awesome! We are very grateful that mom is in such a caring and safe place. Thanks to all the staff and volunteers at St. Peter’s Senior Residence!” - **Kathryn and Dorothea’s entire family!!!**

“The Senior Residence is a loving and caring independent home. Our family is truly grateful for the 24/7 services, delicious food, private rooms and activities they provide. It is truly a special home for our Mom - everyone is family!” - **Missy**
